

### REMARKS

A Notice of Allowance has been received in the above-identified application but the issue fee has not, as yet, been paid.

A review of the allowed claims in the light of the Examiner's Amendment has revealed that a few further changes need to be made in the claims.

Claim 6 was amended to add a period at the end.

Claim 24 was amended to insert --or-- after N-Hydroxynaphthalimid;

Claim 34 was amended to delete "," before 'independently are a straight chain...'; "and" was deleted after 'R<sub>20</sub>' and --,- inserted;

In Claim 35 "," was deleted before 'independently are a straight chain.'.

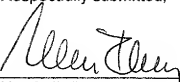

These amendments do not affect the allowability of the claims.

Applicant also submits herewith a translation of the German priority document 102 59 374.4 in order to perfect the claim of priority which is of record.

The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 50-1747.

Respectfully submitted,

By:
